MISS RODEO AUSTRALIA

Miss Rodeo Australia, Miss Rodeo Canada and Mt Isa Rotary Rodeo Queen, Moz Miller at ABC North West Queensland

Hey there readers!

This is just a quick overview into my time travelling with Miss Rodeo Canada Ali Mullin before the Warwick Rodeo Australian National Finals Rodeo. Next month will be more on our action packed week leading up to and the Finals! I met my sash-sister Miss Rodeo Canada in Cairns to begin our tour of Queensland to promote the annual event – and of course share some of Australia’s best tourism experiences with our fans at the same time! Beginning in the lush green region of Cairns and Port Douglas, it was a privilege to share Australia’s aboriginal culture at Tjapukai Aboriginal Cultural Park - Cairns Day & Night Tours with Ali and Miss Rodeo Australia 2016 Katy Scott.

A big thankyou shout out to our sponsor, Rex Airlines and Mantra Hotels, Tjapukai and Skyrail Scenic Railway for their hospitality during our stay. From Cairns we headed outback to Mt Isa where we were met by the Mt Isa Rotary Rodeo Queen, Moz Miller. What a change in scenery! Wide open spaces, big skies and vast views reminded Ali and myself just how big Australia really is. This part of our trip wouldn’t have been possible without the generosity of the Mt Isa Rotary Rodeo Committee & Outback Queensland tourism. A royal welcome awaited in Cloncurry and the chance to meet and dine with locals at the Post Office Hotel was heart-warming.

And our Aussie adventure was complete with the chance to relax on the verandah of the famous Walkabout Creek Hotel! Thanks must go to Aussie Airport Shuttles for their transport. All too quickly our tropical and outback adventure was done as we boarded a flight to the big smoke of Brisbane – where we will be welcomed by Brisbane Marketing and given a tour of the City before enjoying a High Tea in Brisbane Arcade, and appearing in-store for our sponsor, Corral Boots, before heading to the Gold Coast. I look forward to filling you in on much more next month before I head to the Canadian Finals Rodeo and the Wrangler NFR in Vegas
